Civil Action No. 1:22-cv-00233-
HSO-BWR

**DECLARATION OF ATTORNEY AARON SIRI IN SUPPORT OF PLAINTIFFS’
MOTION FOR ATTORNEYS’ FEES AND COSTS**

I, Aaron Siri, declare as follows:

1. I am an adult over 18 years of age and am an attorney duly licensed to practice law before all courts of the States of New York and Arizona. I am managing partner of the law firm of Siri & Glimstad LLP (“**the Firm**”) and counsel for Plaintiffs in the above-referenced action. I make this declaration in support of Plaintiffs’ Motion for Attorneys’ Fees and Costs in the above-referenced action. The following facts are within my personal and professional knowledge and, if called as a witness herein, I can and will competently testify thereto.

2. I submit this declaration in support of Plaintiffs’ Motion for Attorneys’ Fees and Costs pursuant to 42 U.S.C. § 1983, 42 U.S.C. § 1988, and Rule 54(c) of the Local Uniform Civil Rules of the Southern District of Mississippi.

3. In my capacity as the managing partner of the Firm and as lead counsel in this case, I supervised the legal team at the Firm representing Plaintiffs. This team included partners, associates, paralegals, and co-counsel.

4. As managing partner and a supervisory attorney, I am responsible for reviewing filings and other work product related to this case.

5. I have firsthand knowledge of the Firm's billing policies and fee schedule.

6. A detailed itemized list of time entries and costs is attached hereto as Exhibit 1, "Itemization of Expenses and Time Expended by Siri & Glimstad LLP."

The Firm

7. The Firm has extensive experience in vaccine policy and litigation with approximately 40 professionals who regularly handle vaccine-related matters, including, for example: regularly representing individuals injured by vaccines in the Vaccine Injury Compensation Program within the United States Federal Court of Claims; obtaining injunctive relief preventing discrimination against those with religious beliefs against receiving a vaccine, including a class wide injunction against the Air Force's discrimination against its members who had beliefs contrary to obtaining a Covid-19 vaccine; and regularly bringing claims against federal health agencies to obtain transparency, including obtaining an order requiring FDA to release the documentation it relied upon to license Pfizer's and Moderna's Covid-19 vaccines.

8. Given that this matter deals with vaccines, and because it is not typically seen as a lucrative practice area, at the time of filing the Complaint, there were a limited number of law firms willing to represent clients seeking to challenge a state's ban on religious exemptions to vaccine mandates.

9. The Firm's hourly rates have been adjusted and significantly lowered so that they are reasonable and competitive and not outside the bounds of legal fees in the Fifth Circuit geographical area considering the experience level of the attorneys, the specialty nature of this litigation, and that the Firm allocated legal time for this expedited matter to the exclusion of other matters.

10. The Firm is not seeking a multiplier of its attorneys' fees.

Billers' Qualifications

11. Because Attorneys Christopher Wiest, Elizabeth A. Brehm, and Walker Moller have attached their own declarations, I will address my own credentials as well as those of Nicky Tenney, the Paralegal who worked on this case.

A. Aaron Siri

12. I have been the managing partner of the Firm, or its predecessor entity, since 2011. I graduated from University of California, Berkeley School of Law in 2005. From 2004 to 2005, I clerked for the Chief Justice of the Supreme Court of Israel, was an attorney at Latham & Watkins LLP from 2005 to 2010 and was admitted to the New York Bar in 2005 and to the Arizona Bar in 2020. I have practiced and argued in multiple state and federal courts in civil rights matters, class actions, and commercial disputes both at the trial and appellate level. For the past seven-plus years, my practice has focused on vaccine policy work, with many of those cases being civil rights cases. *See, e.g., Public Health & Med. Pros. for Transparency v. FDA*, No. 4:22-cv-00915 (N.D. Tex. May 9, 2023) (order granting timely production of documents); *Betten Chevrolet, Inc. v. Department of Labor, OSHA*, 142 S. B. Nicky Tenney

13. Nicky Tenney is the Senior Paralegal at the Firm with 14 years of experience. Ms. Tenney graduated from San Jose State University in California and received her certification as a California paralegal from John F. Kennedy University in 2008. Prior to joining the Firm, Ms. Tenney spent 11 years working for the Scranton Law Firm, including as Senior Litigation Paralegal. Ms. Tenney's time is devoted exclusively to vaccine-related policy work and litigation.

Categories

14. In pursuit of this matter from inception through obtaining the permanent injunction, the Firm's legal team billed 892.7 hours on this case, excluding time spent on the instant motion. but is only seeking to recover fees for 601.6 hours.¹ Based on review of the records, this section will break down this time into three broad time periods: (1) time entries related to the April 17, 2023 Preliminary Injunction Hearing; (2) all time entries not related to the April 17, 2023 Preliminary Injunction Hearing; and (3) total time entries.

¹ In addition, co-counsel Chris Wiest billed 72.6 total hours on this case. *See* Declaration of Chris Wiest.

A. Preliminary Injunction Hearing-Related Entries

15. A summary of each Firm biller's time related to the April 17, 2023 Preliminary Injunction Hearing is as follows:

Professional	Role	Rate	Hours	Total
Aaron Siri	Managing Partner	\$425	44.0	\$18,700.00
Elizabeth Brehm	Partner	\$425	1.9	\$807.50
Walker Moller	Associate	\$325	41.9	\$13,617.50
Nicky Tenney	Paralegal	\$75	.6	\$45.00

B. Non-Preliminary Injunction Hearing-Related Entries

16. A summary of each Firm biller's time that is unrelated to the April 17, 2023 Preliminary Injunction Hearing is as follows:

Professional	Role	Rate	Hours	Total
Aaron Siri	Managing Partner	\$425	165.3	\$70,252.50
Elizabeth Brehm	Partner	\$425	54.8	\$23,290.00
Walker Moller	Associate	\$325	244.6	\$79,495.00
Nicky Tenney	Paralegal	\$75	48.5	\$3,637.50

C. Total

17. A summary of each Firm biller's total time for this matter is as follows:²

Professional	Role	Rate	Hours	Total
Aaron Siri	Managing Partner	\$425	209.3 ³	\$88,952.50
Elizabeth Brehm	Partner	\$425	56.7 ⁴	\$24,097.50
Walker Moller	Associate	\$325	286.5 ⁵	\$93,112.50

² Seventeen professionals at the Firm billed time to this matter; however, Plaintiffs' counsel has zeroed out all but 4 billers: myself, Ms. Brehm, Mr. Moller, and Ms. Tenney. In addition, counsel zeroed out hours from these four billers as well. This brought the total hours billed by the Firm down from 892.7 to 601.6 hours.

³ I billed a total of 214.1 hours; however Plaintiffs' counsel has zeroed out 4.8 hours.

⁴ Ms. Brehm billed a total of 108.9 hours; however, Plaintiffs' counsel has zeroed out 52.2 hours.

Other Considerations

A. Plaintiffs Intention to Seek Attorneys' Fees Was Clear from the Start

18. Plaintiffs have made their intention of seeking attorneys' fees clear from the start of this litigation, as they twice requested attorneys' fees in the Complaint. (Dkt. 1 at 38, 40.) Plaintiffs also referenced their request for attorneys' fees periodically throughout this litigation in the Joint Motion for Agreed Order (Dkt. 37 at 2 ("Defendants Ashley Blackman Dooley, Ashley Allred, and Douglas Tynes shall not be liable to Plaintiffs for any 'prevailing party' attorney fees or costs that may be awarded in this matter...")), and in correspondence with Defendants, (Dkt. 53-2 at 1 ("The court's order dictates that these defendants would not be required to pay any attorney's fees in the event Plaintiffs ultimately prevailed.")).

19. Defendants have acknowledged Plaintiffs' intention of seeking attorney fees in their own papers. *See* Dkt. 23 at 2 ("Plaintiffs are also seeking to recover attorneys' fees and costs from Dooley and Allred under 42 U.S.C. § 1988."); Dkt. 24 at 2 ("Plaintiffs are also seeking to recover attorneys' fees and costs from Tynes and other defendants under 42 U.S.C. § 1988."); Dkt. 36 at 21 ("Defendant further denies that Plaintiffs, or any of them, are entitled to ... attorneys' fees, interest, or costs...."); Dkt. 53-2 at 1 ("The court's order dictates that these defendants would not be required to pay any attorney's fees in the event Plaintiffs ultimately prevailed.").

20. The Court likewise acknowledged Plaintiffs' request for attorney fees in the Memorandum Opinion and Order Granting Plaintiffs' Motion for a Preliminary Injunction, (Dkt.

⁶ Ms. Tenney billed a total of 96.0 hours; however, Plaintiffs' counsel has zeroed out 46.9 hours.

77 at 3 (“The Complaint asks the Court to: ... Grant Plaintiffs reasonable attorneys’ fees and costs under 42 U.S.C. § 1988 and any other applicable authority....”)), as well in the Memorandum Opinion and Order Granting Defendant Lynn Fitch’s Motion to Deny or Continue or, Alternatively, to Stay or Hold in Abeyance Plaintiffs’ Motion for Summary Judgment and Denying Without Prejudice Plaintiffs’ Motion for Summary Judgment, (Dkt. 66 at 3 (same)), the Memorandum Opinion and Order Denying Defendant Lynn Fitch’s Motion for Judgment on the Pleadings or, Alternatively, to Dismiss or Stay Pursuant to *Pullman* Abstention Doctrine, (Dkt. 65 at 3 (same)), and in the Order Granting Joint Motion for an Agreed Order and Denying as Moot Motions to Stay Participation, (Dkt. 38 at 2 (“Defendants Ashley Blackman, Ashley Allred, and Douglas Tynes shall not be liable to Plaintiffs for any “prevailing party” attorney fees or costs that may be awarded in this matter.”))).

B. Plaintiffs’ Counsel’s Good Faith Efforts

21. In a show of good faith, Plaintiffs’ counsel has significantly adjusted down their customary fees, which are in accordance with hourly rates pursuant to the Laffey Matrix,⁷ as follows:

- i. Partners, from \$825/hour to \$425/hour;
- ii. Associates, from \$575/hour to \$375/hour; and
- iii. Paralegals, from \$225/hour to \$75/hour.

22. Likewise in a show of good faith, Plaintiffs’ counsel also performed an extensive review of the billing entries to avoid any unnecessary, duplicative, or otherwise potentially

⁷ The Laffey Matrix is a fee schedule used by many United States courts for determining the reasonable hourly rates for attorneys’ fee awards under federal fee-shifting statutes. *See* <http://www.laffeymatrix.com/>.

objectional time entries. Significantly, Plaintiffs' counsel has only requested attorneys' fees for four of the out of the seventeen legal professionals in the Firm who have worked on this case. The Firm has not billed for 291.1 hours of its time. *See* Exhibit 1, "Itemization of Expenses and Time Expended by Siri & Glimstad LLP."

C. Settlement Attempts

23. Plaintiffs' counsel made a good faith effort to settle this matter prior to the April 17, 2023 Preliminary Injunction Hearing, the preparation and attendance at which incurred a significant amount of attorney hours. Plaintiffs proposed a consent decree declaring that Miss. Code § 41-23-37 was unconstitutional on its face because it provided the opportunity for medical exemptions without the possibility for religious exemptions – the precise ultimate finding of this Court. Plaintiffs made clear that they preferred a non-litigated solution. Defendants did not agree, necessitating all of the hearing fees and costs and all fees and costs subsequent to that offer.

D. Numerous Plaintiffs and Multiple Governmental Defendants

24. The Firm's involvement in this case spanned a period of over seventeen months and involved seven named Plaintiffs with varying religious beliefs. The case also involved multiple governmental defendants with substantial legal resources at their disposal. Both of these facts significantly increased the number of hours compared to a single-plaintiff and single-defendant case.

E. Exclusion of Other Work

25. In light of the substantial workload of this case due to its novel nature, the number of plaintiffs and defendants involved, and the aggressive posture taken by both sides, Plaintiffs'

counsel were forced to focus their resources almost exclusively on this case for the hours reflected in the attached itemized time entries to the exclusion of other work.

26. Accordingly, Plaintiffs respectfully request that the Court grant their Motion for Attorneys' Fees and Costs, totaling \$253,906.87.⁸
